3. Achieving Results

- a) Focus Area #1: Growing Labour Relations Capacity across the University
- b) Focus Area #2: Proactive and Strategic Labour Relations
- c) Focus Area #3: Strengthening the “One University” Approach to Employee/Labour Relations

KEY STRATEGIC LABOUR RELATIONS THEMES

The University has identified four key long term labour relations themes. These themes recognize the relationship between our foundational strategies and building a collaborative work environment to achieve Eyes High.
