

**Canada Research Chair (Tier I) in Brain Circuits, Department of Physiology & Pharmacology,  
Cumming School of Medicine**

The Department of Physiology and Pharmacology (<https://cumming.ucalgary.ca/departments/physiology-pharmacology/>) and the Hotchkiss Brain Institute (HBI; <https://hbi.ucalgary.ca/>) with the support of the Alberta Children's Hospital Research Institute (ACHRI; <https://research4kids.ucalgary.ca/>)

investment by the CSM through the Cumming Medical Research Fund. Outstanding opportunities for collaboration are also available with established research programs within the HBI and ACHRI.

The University of Calgary recognizes that candidates have varying career paths and that career interruptions can be part of an excellent academic record. Candidates are encouraged but not required to provide any relevant information about their experience and/or career interruptions to allow for a fair assessment of their application. Selection committees have been instructed to give careful consideration to, and be sensitive to the impact of career interruptions, when assessing the candidate's

The University strongly recommends all faculty and staff are fully vaccinated against COVID-19.

### **About the University of Calgary**

Located in Canada's most enterprising city, the traditional territory of the peoples of Treaty 7 and Region 3 of the Métis Nation of Alberta, the University of Calgary (UCalgary) is a global and innovative intellectual hub for teaching and learning, research and scholarship, and community engagement. UCalgary ranks fifth among Canada's top research universities in Research Infosource Inc.'s Top 50 Research Universities list released on Jan. 25, 2022. UCalgary is the youngest university to have reached the top five.

UCalgary has more than 6,500 graduate students and 28,500 undergraduate students, more than 1,800 academic staff (continuing, contingent term or limited term appointment), more than 1,300 sessionals, and more than 3,200 non-academic staff, in 14 Faculties, across five campuses. The vibrant and research-intensive environment at UCalgary is home to 146 research chairs (75 Canada 5 (h)2.3 (ip)2.3 j7 (an)2.2 (ad)200

Calgary is one of the world's cleanest cities and has been named one of the world's most livable cities for years. Calgary is a city of leaders - in business, community, philanthropy and volunteerism. Calgarians benefit from a growing number of world-class dining and cultural events and enjoy more days of sunshine per year than any other major Canadian city. Calgary is less than an hour's drive from the
