

Next Steps Guide

H. [University of Calgary](#)

UNIVERSITY OF
CALGARY

Welcome to the University of Calgary!
We're thrilled to have you join our community,
and we're excited to help you plan for a
successful beginning to your studies this fall.

TIMELINE: A roadmap to registration

JANUARY

Registration Tools

1. University calendar
 The University calendar is the primary source of information for students regarding academic calendars, holidays, and important dates. It is essential to consult the calendar regularly to stay informed about upcoming events and deadlines. The calendar is available on the University website.

2. Schedule Builder (SB)
 The Schedule Builder (SB) is a tool that allows students to create their own class schedules. It provides a user-friendly interface for selecting courses, checking for conflicts, and saving preferred schedules. Students can use the SB to explore different course options and ensure they are meeting all requirements for their degree program.

3. First Year Degree Guide (FYDG)
 The First Year Degree Guide (FYDG) is a comprehensive resource for first-year students. It provides detailed information about the requirements for each degree program, including course selection, credit requirements, and graduation procedures. The FYDG is an essential tool for students to understand the expectations of their degree program and to plan their academic path accordingly.

Advising Resources

FACULTY ADVISING
 Faculty advising is a key component of the student experience. Faculty members provide guidance on course selection, academic progress, and career opportunities. Students are encouraged to meet with their faculty advisors regularly to discuss their academic and personal goals. For more information, visit uca.gary.ca/ug/sta/ug/sta/adv/sug.

STUDENT SUCCESS CENTRE
 The Student Success Centre (SSC) is a central hub for student support services. It offers a variety of resources, including academic advising, tutoring, and career counseling. The SSC is committed to helping students succeed in their academic and personal lives. For more information, visit uca.gary.ca/ug/sta/ug/sta/adv/ssc.

EXPERIMENT ADVISING
 Experiment advising is a specialized service that provides students with guidance on their experimental projects. This service is particularly valuable for students in science and engineering programs. Experiment advisors help students design their experiments, collect data, and analyze results. For more information, visit uca.gary.ca/ug/sta/c/tact-us.

INTERNATIONAL STUDENT SERVICES
 International Student Services (ISS) is a dedicated team that provides support and guidance for international students. ISS offers a range of services, including visa and immigration assistance, orientation, and academic advising. The team is committed to ensuring that international students have a successful and enjoyable experience at the University. For more information, visit uca.gary.ca/ug/sta/ug/sta/adv/iss.
