Admission requirements

Diploma holders

By presenting your full IB diploma with at least three higher-level courses and all grades above 3, you'll be considered for admission based on your overall diploma score; you must present all 5 faculty-specific required courses.

If you're currently completing the IB diploma, the initial evaluation of your application will be based on your predicted IB grades. If you've completed the IB diploma, you'll be evaluated on your final IB results.

The extended essay, theory of knowledge, and creativity, action and service (CAS) components are included as part of the total IB score calculation.

Certificate holders or Partial IB

By presenting your IB Certificate, you'll be considered for admission based on five faculty-specific courses. Individual IB courses are converted into a percentage score (see chart) and combined with equivalent high school courses from other curriculums to calculate the admission average.

Career-Related Programme

Students who complete the IB Career-Related Programme are considered for admission based on five faculty-specific courses. Individual IB accepted courses are converted into a percentage score and combined with equivalent high school courses from other curriculum to calculate the admission average (see Certificate Holder requirements).

Submitting transcripts

If you're currently completing the IB program, you'll need to submit your predicted results by uploading them directly to your myUCalgary Student Centre (my.ucalgary.ca). Official final IB transcripts are required to finalize your offer of admission and receive advanced credit. You must request your transcript be released to UCalgary through the IB Organization.
