

Mandatory Non-Instructional Fees Report Fiscal Year Ending March 2023

W μ OE %o } • W

This report outlines the goods and services that students receive for the mandatory non-instructional fees received by the City of Grande Prairie and that enhance the student experience.

The report compares the revenue from mandatory non-instructional fees received by the City of Grande Prairie to the total tuition and fees paid by students.

All MNIF reports for the University of Alberta and the University of Lethbridge compare the revenue from mandatory non-instructional fees received by the City of Grande Prairie to the total tuition and fees paid by students.

Background

Mandatory noninstructional fees are governed by the Alberta Post Secondary Learning Act¹, the Alberta Tuition and Fees Regulation², and the Alberta Tuition Framework³, as well as the terms of reference documents of the Board of Governors (BoG), the Tuition and Fees Committee⁴ and the Tuition and Fees Consultation Committee (TFCC).

The Post Secondary Learning Act¹ defines mandatory non-instructional fees as fees for goods and services provided by postsecondary institutions that are not part of the regular instructional program.⁵ These fees include fees for student activities, student services, and other student support services.⁶ The Post Secondary Learning Act¹ also requires that mandatory non-instructional fees be used for the benefit of students and that they be charged in a reasonable manner.⁷

Mandatory Non-financial Reporting for the City of Guelph

Fiscal Year Ending March 2023

Part II: Goods and Services

Goods and Services:

Goods or services

- (a) goods produced by a public sector entity for sale (for example, municipal water provided free for residential consumption);
- (b) goods produced by a public sector entity for delivery to another party (for example, municipal water provided to a community centre);
- (c) services provided, including those that involve another controlled service provider (for example, municipal paramedics on site at an athletic competition);
- (d) standing ready to provide goods or services (for example, organized by a community group);
- (e) an asset constructed, manufactured or developed for or to the full benefit of the public sector entity;
- (f) rights provided under intellectual property technology);
- (g) a concessionary right (for example, a concessionary right to use intangible assets owned or controlled by the Crown (for example, an agreement to use a provincial forest to extract timber or natural resources); a lease of land or equipment);
- (h) a decision provided for example, a driver's licence provided to the appropriate documentation ready (for example, issuing a driver's licence to a qualified driver);
