

Entrance scholarships and bursaries are available to students entering their first year of post-secondary studies, who will be admitted to the University on the basis of their high school grades. Students must be entering a Fall Session at the University of Calgary. Generally recipients of awards must have achieved above average grades in five appropriate 20-level courses (grade 11) or equivalent for non-Alberta students and in some cases must demonstrate financial need.

- Students entering the Bachelor of Health Sciences program in the Faculty of Medicine, are eligible to apply for Entrance Awards.
- Students entering or continuing in the Bachelor of Education (Master of Teaching Program) must apply for awards using the Competitive Undergraduate Awards application.
- Upon completion of consecutive Fall and Winter Sessions at the University of Calgary, a student is then eligible to apply for Competitive Undergraduate Awards (Deadline is June 15).

The following points should be considered when applying for Entrance Awards:

PLEASE NOTE: The following general information and policies have been revised as of December 2003 to reflect the NEW deadline and NEW on-line application process for students intending to enter their first year of post-secondary studies at the University of Calgary in the Fall 2004 Session, and who wish to apply for Entrance Awards.

- Applicants should familiarize themselves with the kinds of scholarships and bursaries that are available to high school graduates. When filling out the application, applicants should be sure to include all information that is pertinent to those awards for which they feel especially qualified.
- The New Entrance Awards on-line application is available on the InfoNet, accessible from the U of C home page or from the Student Awards and Financial Aid office website: www.ucalgary.ca/awards/.
- Application for awards must be made on the current on-line application.
- Students are encouraged to review Entrance Awards On-Line Application Information at www.ucalgary.ca/awards/EntranceInfo.html, as this page provides helpful hints and required information.
- Students MUST apply for admission prior to applying for Entrance Awards, as they will require a U of C student ID number to access the on-line Entrance Awards application.
- Students need not have been *accepted* for admission to the University prior to applying for these awards.
- Unless otherwise stated, completed applications for Entrance Awards must be submitted on or before **February 1**.
- **Note:** By completing one Entrance Awards application, applicants will be considered for all scholarships and bursaries listed in this section with the exception of those stating "No application required".
- **Non-Alberta** students MUST mail or fax their high school transcript to the Student Awards & Financial Aid office by March 15. Grades for Alberta students will be obtained electronically by the Student Awards and Financial Aid office from Alberta Learning, providing an accurate Alberta Learning ID number is entered on their application for admission to the U of C.
- In support of the Academic Plan, awards are distributed among the most deserving students and in keeping with the terms of reference for awards. No student may normally receive total award funds of more than the value equivalent to the average cost of attendance as calculated by the Student Awards and Financial Aid office unless the value of the award is higher.
- Scholarships and bursaries listed under the section "External Awards" require that applicants fill out a separate application form, obtained from either the donor or the University Student Awards and Financial Aid office.

The University assumes liability for the payment of scholarships, bursaries, prizes and other awards only to the extent that gifts from donors, or returns from particular investments for these purposes will permit.

As this information is published a considerable time before the opening of the session, the University reserves the right to make whatever changes circumstances may require, including cancellation or addition of particular awards.
