

Notice of Group Lock Out CONTROL OF HAZARDOUS ENERGY

		Date of Issue:	2015.10.13
		Issued By:	EH&S
Work Order #		Revision #:	1
		Revision Date:	2015.10.13
Isolation Form # _____ of _____		Revised By:	TKM

PART # 1

DECLARATION OF ENERGY ISOLATION

Part # 1: Declaration of Energy Isolation

I have isolated the supply of energy to the equipment listed on this form. I have tested for potential, dissipated any residual energy, applied locks and tags and tested the locking method.

If any individual has to leave the work site, they must contact their Supervisor and sign part 2 "Approval for Return of Energy and Start up of Equipment"

Part 2: Approval for the return of E
