

Mark Blackwell is a General Partner at Builders, a Silicon Valley-based venture capital firm. He has invested in companies in healthcare, agriculture, industrials, and real estate. Prior to Builders, Mark was a General Partner at SolarWinds, which develops IT monitoring and network management software. He also worked at GNS3 Technology, where he acquired GNS3 Technology's downloads, and a customer base, and worked at Facebook.

Before GNS3, Mark was an Investment Manager at CIBC World Markets, where he worked in the technology investment banking division at CIBC World Markets, and worked in the renewable energy department.

Mark is a graduate of the University of Calgary, where he earned a Bachelor of Science degree in Economics.
