

## BIOGRAPHY Cara Wolf

Cara Wolf, CEO and Founder of Ammolite Security, is a Distinguished Graduate Award recipient from the Haskayne School of Business at the University of Calgary, where she also serves on the Audit Committee of the Board of Governors. She holds a BComm and an MBA from the university and is celebrated for her leadership in cybersecurity governance and innovation.

In addition to receiving the Queen's Platinum Jubilee Medal and being named one of Canada's Top 20 Women in Cybersecurity, Cara serves on cybersecurity committees for the CIO Association of Canada, Automotive Parts Manufacturing Association and the NGen Cyber Security Collaborative.

Under her leadership, Ammolite Security has earned accolades as a Top 25 AI Company to Watch, a Top 10 Innovative Defence Technology Company, and Best Cyber Security & Data Analytics Technology Developers. Cara's work in cyber risk management, CMMC assessments, and zero trust encryption technologies has cemented her as a prominent figure internationally in the advancement of cybersecurity.
