supporting the challenge. A challenge will be decided by the Chair, unless the Chair is the subject of the challenge, in which case the remaining panel members will decide the challenge. If the challenge is successful, the Chair will provide the names of the new panel to the Appellant and the Respondent and adjust the hearing timeline as needed.

- 6.5 Both the Appellant and Respondent will receive copies of all submissions, documents and evidence relating to the decision be.740-c(a)-3.2u09.44 te7 (p)-0.8 7umpi

- c) uphold the appeal and determine that the Academic Assessment decision or Graded Term Work decision be returned to the department or decision
