

How to Apply

Students must complete the following in the CSA scholarship portal by the deadline:

- Application Form
- Transcripts
- Letter of support from supervisor
- Referees Forms from a minimum of two referees, submitted directly by the referees on the CSA scholarship portal by the required deadline. Note that your supervisor **cannot** serve as a referee.

Application instructions can be found on the CSA Group Graduate Scholarship webpage (<https://www.csagroup.org/scholarship/>).

Terms of Award

Award holders must communicate the status of their research in the following ways:

- Students must submit brief semi-annual progress reports and a final research report in the CSA scholarship portal;
- CSA Group funding must be acknowledged in any published works; and
- Students may be invited to attend the CSA Group Annual Conference in June to present their work. Travel and accommodation expenses will be covered, as applicable.
- **Note:** CSA Group will provide access to CSA standards, as needed, for the project.
